## Objective of The Lit Foundation

**T**he primary objective of the Foundation is to provide recognition for what the one has been doing since long. The recognition could be in a form of Record Breaking or Award winning. Our basic intention is to bring extra-ordinary out of ordinary people and showcase their talent to the open world. We provide this opportunity to every achievement holder to show and get their achievement recognized by the Foundation. Its primary objective is to publish, market, and publicize the good deeds. Apart from its core categories, The Lit Foundation is committed to publish books in general including religion, spirituality, science and technology, health and healing, literature, environment, politics and social change. Basically the Foundation helps in building up a Portfolio for an individual or an organization who wants to showcase their achievements, talent, skill or the work done for a noble cause.

**W**orld's Greatest Book of Record is the authority which works through a process of authentication within a particular system to find such achievement which belongs to only one person or the group of persons in the world – an incredible feat. These types of achievements are formally known as Globally Recognized Achievements. World's Greatest Book of Record works to find these types of achievers around the world and to publish their achievements on our International Records Database website as well as in our annual edition published. People from different countries are applying for their achievements to be verified by us because of our systematic and fine process of certification and authentication. The content published by World's Greatest Book is for reaching out to Potential people for encouraging them to display their hidden talent globally.

## OBJECTIVE

It encourages people to break or set new records at global level. Besides, it invites individuals, significant institutions and places of unique interest across the world to be recorded. It also honors and lists the unique achievements of individuals, places and organizations. It has become the prominent organizations in the global scenario. The organization promotes record making or extraordinary feats in different spheres, and it invites everyone and anyone, in any part of the world to make their dreams, achievement a record-breaking a reality.

Its primary objective is to publish market, and publicize world records in both physical and eBook formats. Apart from its core categories, World's Greatest Book of Record is committed to publish books in general including religion, spirituality, science and technology, health and healing, literature, environment and social change.

World's Greatest Book of Record is a pioneering entity and registered in India to promote the cause of recognition by an individual or organizations. It also authenticates recognition as honor, listing places and organizations for their unique identities. It also does CSR activities across the world with international brands.

- Book Launch,
- Honouring an artist
- Any other Literary or Entertainment activities on local level.

## HISTORY

After almost a halfdecade of hosting successful events, the Literary Society of India had its roots laid in the year 2016. After conducting numerous successful programs in the state of Rajasthan, the LSI team decided to take this journey from the culturally-rich desert land to other parts of the nation.

One of the oldest and most famous flagship of IndianLit is "Just Hasyam". We are proud of our ingenious event 'JUST HASYAM' that unifies the culture of Kavi Sammellan, Live Laughter Show and other Comic events-all under the banner of 'Just Hasyam'. It has been ten years since 2010 that Just Hasyam are spreading happiness among the society.

'Geet Gulzar' are uniting music and literature since 2010 for the creative soul that yearns for a deeper meaning in life. The love of music amalgamated with a message and words that will make you reflect. Geet Gulzaar is our flagship event that has seen several luminaries before which include RahatIndori, Waseem Barelwi, A.M.Turaz, Madan Mohan Danish, Kumar Vishwas etc.

Uniting all the above, our Literature Festivals are graced with luminaries from the literature world who talk, perform and discuss for the entire duration of the festival. Bringing all literature lovers together from the world over, our brand of literature festivals works at the grassroots level as it gives a chance to not just celebrated names, but unbeknown and popular local artists too who carry forth the banner of literature for the world to see.IndianLit organized its first Literature Festival in the year 2014 and since then the Festival is attaining heights with every passing year.

**Apart from these Indian Lit has organized**

- Just Hasyam - Udaipur, 2017
- Nayan - Kavi Sammellan for especially able (Blinds), 2018
- Poetry Fest - Saharanpur, 2019
